

NEW SODA GRILL OPEN WEDNESDAY

Carl J. Peduzzi to Operate Majestic Fountain in Store Room Adjoining Majestic Theatre.

Announcement is made of the opening tomorrow at noon of the Majestic soda grill to be operated and managed by Carl J. Peduzzi, member of the 1927 graduating class of Gettysburg college and former captain of the college basketball team.

The soda grill is located in one of the store rooms of the new Hotel Gettysburg addition, adjoining the Majestic theatre lobby on the north. There is an entrance from the soda room into the theatre lobby, in addition to the street entrance.

Besides a general and modern line of soda fountain offerings, there will also be a complete line of candy by a leading national manufacturer and a popular brand of Philadelphia-manufactured ice creams in all forms; also a cigar and cigarette counter.

The soda grill is equipped with new furnishings throughout, including a liquid mechanical fountain of dark marble finish, and assuring a temperature uniformity of all soda fountain products. There are booths and tables as well as a soda counter, with a mahogany finish throughout.

Souvenirs will be given to all ladies patronizing the new fountain on the opening day Wednesday. The room will be especially decorated for the opening. This new fountain is the only one on Carlisle street.
